Newly-endorsed credit union offers CTA member promotions

CTA members can now say goodbye to annoying fees and mediocre service by considering a newly endorsed vendor -- Logix Federal Credit Union. Logix (formerly Lockheed), in business since 1937, is one of the strongest credit unions in the country.

The credit union is offering several promotions to welcome CTA members:

- Auto sale– Rates were recently lowered to as low as 1.49% APR for a 48-month term, or 1.95% APR for a 60-month term.* These incredible rates are available for new, used, and refinanced loans.
- Historically low mortgage rates– Choose from a variety of attractive rates and terms. We guarantee you'll love our service or pay you $500*.
- $150 to switch– Open a new checking account and get up to $150 when you activate direct deposit and bill pay.* Logix offers 28,000 free ATMs (many located inside 7-Eleven stores) plus the ability to deposit checks via your smart phone.

Logix has earned a reputation for friendly service that's very rare among financial institutions today. Branches are located in Burbank, Pasadena, Woodland Hills, Westlake Village, Newbury Park, Thousand Oaks, Simi Valley (2 locations), Santa Clarita Valley (4 locations) and Palmdale. Access is also available through a nationwide network of 28,000 free ATMs.

The California Teachers Association is proud to offer you this outstanding benefit. To learn more, visit *www.CTAMemberBenefits.org/Logix* or *www.logixbanking.com/CTA*, or call (800) 328-5328. You might be surprised, because your call is very likely to be answered by a live person instead of a recorded menu.
