2026-2027 CTA Dues Calculation

Formula is defined in Article XIV of the CTA Bylaws

Step 1

3-YEAR AVERAGE

% change in average statewide teachers' salary during the last three fiscal years

2022-2023:	7.4%
2023-2024:	5.9%
2024-2025:	2.7%
3-yr average:	5.33%

Step 2

NET APPLICABLE DUES

Last year's Category I dues minus dues allocations not included in annual adjustments

2025-2026 Cat I Dues	$ 858
Minus:	
Advocacy/Foundation	(20)
Initiative Fund	(36)
Media Fund	(16)
Net Applicable Dues	$ 786

Step 3

CALCULATE 2026-2027 DUES

Multiply the Net Applicable Dues by the 3-yr average then add to last year's Category I dues

Net Applicable Dues	$ 786
x 3-yr average	5.33%
Calculated Dues Increase	$ 41.89
Truncated	$ 41
2025-2026 Cat I Dues	$ 858
2026-2027 Cat I Dues	$ 899
