Overview

The Institute for Teaching (IFT) mission is to enhance, support, and sustain high-quality teaching and high-quality public schools for all California students. Through mobilizing teachers, special programs, research, conferences, networking, and community-based coalitions, the IFT seeks to advance public education and promote the common good of our students and communities.

Through our efforts we help all students and schools by awarding grants directly to CTA members and local chapters. To date, CTA members' voluntary dues contribution have funded a total of 569 grant projects totaling more than $6.7 million. For the 2023-2024 school year the IFT awarded 67 grants totaling $846,356.49 to educators across the state to implement projects that will transform their classroom.

If you’re interested in applying for an IFT grant, you will need to prepare a grant proposal, budget, and timeline. We are seeking grant proposals that are innovative, creative, practical, action-oriented, and student centered. Using our Strength-Based Equity Matrix as a framework, your proposal must address all seven Strength-Based Equity Matrix factors as this will be the lens through which your proposal will be evaluated by our Grant Selection Committee.

Your IFT grant application must be submitted online by March 31, 2024. Awarded IFT grants will be implemented during the 2024-2025 school year. We strongly encourage you to thoroughly review the contents of this resource guide before beginning your application. If you need assistance or have additional questions, please contact us at IFT@cta.org.
We offer various types of support to assist you with applying for an IFT grant including training at various CTA events, regular office hours, and an online booking site where you can schedule a one-on-one session.

4 Things CTA Members Should Know About Applying for an IFT Grant

Visit the IFT website for more information: www.cta.org/IFT

1. Since 2010, the CTA Institute for Teaching has been utilizing a portion of CTA members’ $20 voluntary dues contribution to fund strength-based teacher driven projects at schools all over California. To date, the IFT has funded 569 grant projects totaling more than $6.7 million. All CTA members are eligible to apply for an Educator grant (up to $5,000) or an Impact grant (up to $20,000).

2. This is a competitive grant program. Grant proposals are evaluated by the IFT Grant Selection Committee, made up of four educators from around the state and the IFT Program Consultant. These educators represent various grade levels and are experienced in the strength-based approach. To date, the IFT has received a total of 1,481 grant applications.

3. The grant application period opens on December 1, 2023. Applications will be due no later than March 31, 2024. Links to supporting documents and other information can be accessed from the IFT website. In May 2024, grant proposals will be reviewed by the Grant Selection Committee, using the Strength-Based Equity Matrix as a lens. The committee will select grant proposals to recommend for funding to the IFT Board of Directors.

4. In June 2024, the IFT Board of Directors will vote to approve the grant proposal recommendations. In July 2024, notification of funding will be sent to all applicants (awarded and non-awarded). Grant funds will be distributed in August 2024, for use during the upcoming school year. As part of the application process, Local Association Presidents are asked to agree to have the Local Association serve as the fiscal agent on behalf of the grant recipient. This increases accountability and ensures the individual member incurs no tax liability.

July 2023

Return to Table of Contents
Types of IFT Grants

The Institute for Teaching offers two different grants. During the application period (December 1, 2023 - March 31, 2024), you can only apply for either an Educator grant or an Impact grant. Impact grants require a team of two or more members and all team members must be active CTA members. If you are implementing a grant project for the 2023-2024 school year, have been approved for a 2023-24 carryover, are currently serving as a team member for an Impact grant, or have not submitted the required reports for a previously awarded grant, you are not eligible to apply for an IFT grant until you have been notified that all grant requirements have been met. Before applying, please refer to the following documents in this guide: IFT Grant Application Eligibility FAQ, IFT Dos and Don’ts and Funding Guidelines, and IFT Grant Applicant Checklist.

<table>
<thead>
<tr>

Application Review Process

The IFT grant program is very competitive. Each year the number of grant applications received exceeds our annual funding. To date, the IFT has received a total of 1,481 grant applications and awarded 569 grants totaling more than $6.7 million.

Complete applications submitted by March 31, 2024, will be reviewed by the Grant Selection Committee. In May 2024, the Grant Selection Committee will select grant proposals to recommend to the IFT Board for funding. The Committee is made up of four educators from around the state and the IFT Program Consultant. These educators are past IFT grant recipients, represent various grade levels, and are experienced in the Strength-Based Approach.

To prepare applications for review, we remove identifying information (such as your name, school, and local association) to ensure a fair process. Each application will be reviewed based on its own merit using the Strength-Based Equity Matrix as a framework. Applications that are not selected for funding usually fall within these categories:

- Not student centered.
- No clear plan to implement a project.
- Responses do not address the matrix factors/questions.
- Majority of the budget allocated for stipends, guest speakers, or release time.
- Majority of the budget allocated to purchase equipment/services a district should provide.

After the review process, all applicants will be notified of the outcome of the award decisions. Grant proposals that are not selected for funding may be evaluated for improvement upon request.
Grant Recipient/Project Coordinator Responsibilities

In May 2024, the IFT Grant Selection Committee will review applications and identify grant proposals to recommend to the IFT Board for funding. In June 2024, the IFT Board will vote on the recommendations and applicants will be notified in July 2024 of the award decisions.

If your grant proposal is selected for funding, you will receive an award letter detailing the next steps. As a grant recipient and project coordinator, you will be responsible for the following:

▪ Implementation of your grant project
▪ Tracking grant project expenses
▪ Meeting regularly with your local treasurer
▪ Attending two **check-in meetings** with the IFT Program Consultant
▪ Completing and submitting a **Summary Report** by July 31, 2025
▪ Completing and submitting a **Financial Report** by July 31, 2025

Grant recipients are strongly encouraged to meet with their local treasurer to discuss their local association’s reimbursement procedures before making purchases. All awarded grant funds must be accounted for and included in a financial report at the conclusion of the grant implementation year.
Strength-Based Teacher Driven Change

The Institute for Teaching attempts to bring a new approach to school change by focusing on two key factors: 1) change that is teacher driven and 2) change based on what is working and successful in schools and classrooms. Strength-Based Teacher Driven Change (SBTDC) is a result of the continual search by classroom teachers to invent and build on the great things taking place in their school communities. It is formulated from teacher experiences in the classroom, teacher school-community relations, as well as the teaching and learning process.

The IFT grant program supports CTA members’ efforts to bring Strength-Based Teacher Driven Change to their schools. The SBTDC model allows educators to provide an asset-based approach to emphasize talents over weaknesses and strengths over deficits to create a learning environment that supports and encourages every student to do their best. By focusing on what works in schools, the IFT believes strength-based models for school change add a new dimension to school improvement.
IFT Grant Application Eligibility FAQ

Application Timeline: December 1, 2023 – March 31, 2024
Awarded IFT Grants will be implemented during the 2024-2025 school year.

1. **Question:** May all CTA members apply?
   **Answer:** Yes. All members with an active CTA membership may apply.

2. **Question:** Can I apply for more than one IFT grant?
   **Answer:** No. During the application period (December 1, 2023 - March 31, 2024) you can only apply for either an Educator grant or an Impact grant. Impact grants require a team of two or more members and all team members must be active CTA members.

3. **Question:** If I was awarded an IFT grant previously when am I eligible to apply for another IFT grant?
   **Answer:** If you are implementing a grant project for the 2023-2024 school year, have been approved for a 2023-24 carryover, are currently serving as a team member for an Impact grant, or have not submitted the required reports for a previously awarded grant, you are not eligible to apply for an IFT grant until you have been notified that all grant requirements have been met.

4. **Question:** Can grant projects be implemented at different school sites?
   **Answer:** Yes. Impact grants or Impact Renewal grants may be implemented at different school sites within the same school district. All team members must be listed in the online grant application.

5. **Question:** Can my team members be from different school districts or local associations?
   **Answer:** This question only applies to Impact grants. Team members can work at different school sites but must work within the same school district and be members of the same local association. If your grant application is selected and awarded, your local association must also agree to serve as the Fiscal Agent for the awarded grant funds.

6. **Question:** What is the online grant application timeline for approvals?
   **Answer:** Online IFT grant applications are due by March 31, 2024. The IFT Grant Selection Committee will meet in May 2024 to review applications and select proposals to recommend to the IFT Board. The IFT Board will meet in June 2024 to approve the recommendations for funding.

7. **Question:** As an IFT Grant Project Coordinator may I utilize unused grant funds during the next school year?
   **Answer:** If the awarded grant funds are not utilized during the implementation year or if there are left over funds, they must be returned unless a carryover request is submitted and approved.

IFT Dos and Don’ts and Funding Guidelines

Application Timeline: December 1, 2023 – March 31, 2024
Awarded IFT Grants will be implemented during the 2024-2025 school year.

Available Grants

Educator Grant – up to $5,000 (Individual Educator)
Impact Grant – up to $20,000 (Team of 2 or more Educators)

<table>
<thead>
<tr>
<th>Do</th>
<th>Don’t</th>
</tr>
</thead>
<tbody>
<tr>
<td>Verify your CTA membership. You must be an active CTA member to apply for an IFT grant.</td>
<td>Do not design a project that requires sustainable, long-term funding sources.</td>
</tr>
<tr>
<td>Maintain your CTA membership throughout the grant implementation period.</td>
<td>Do not include the purchase of gift cards, classroom sets of equipment, classroom furniture, appliances, or permanent infrastructure.</td>
</tr>
<tr>
<td>Identify a team of at least two members to apply for an Impact grant. The Project Coordinator can be a part of the team of two. All team members must be CTA members.</td>
<td>Do not include items that supplant computers, technology, school equipment, or services a district should provide.</td>
</tr>
<tr>
<td>Review the sample grant application and Strength-Based Equity Matrix in our IFT Grant Program Guide.</td>
<td>Do not include the hiring of external professional development providers or the implementation of district required professional development.</td>
</tr>
<tr>
<td>Use the Strength-Based Equity Matrix as a framework for developing your IFT grant proposal. Make sure your proposal addresses all seven Strength-Based Equity Matrix factors.</td>
<td>Do not include funding to employ staff or to start/expand a new or existing program or center.</td>
</tr>
<tr>
<td>Determine how your proposal will address the needs of diverse learners and improve student learning.</td>
<td>Do not include funding for conferences or travel expenses related to conferences.</td>
</tr>
<tr>
<td>Upload your budget and timeline in a PDF, Excel, or Word format.</td>
<td>Do not allocate more than 1/3 of your budget to cover personnel costs. This includes release time for substitutes and stipends for planning and project collaboration. (See the Dos column for information related to stipends.)</td>
</tr>
<tr>
<td>Remember to include any additional funds or in-kind contributions that you anticipate receiving to fund your project.</td>
<td>Do not request funding for personal educational scholarships.</td>
</tr>
<tr>
<td>Limit stipends to up to $1,000 per team member and disburse no more than $500 per team member each calendar year of the grant implementation.</td>
<td>Do not request retroactive funding (funding for items you have already purchased).</td>
</tr>
<tr>
<td>Inform your local association president that you intend to apply for an IFT grant. Their signature will be necessary to complete the application.</td>
<td>Do not wait until the very last minute to submit your IFT grant application. You may run into some unexpected technology issues or need assistance with submitting your application.</td>
</tr>

IFT Grant Applicant Checklist

Application Timeline: December 1, 2023 – March 31, 2024
Awarded IFT Grants will be implemented during the 2024-2025 school year.

☐ Please make sure to have a conversation with your local association president about your interest in applying for an IFT grant. You will need your president’s email address for the grant application. After completing your application, IFT will send your president a Fiscal Agent Agreement. Once signed, your IFT application is considered complete.

☐ We encourage you to have a conversation with your site administrator about your grant project.

☐ Before you begin to complete your online application, please make sure to read the following resource documents:

  o IFT Grant Application Eligibility FAQ
  o IFT Dos and Don’ts and Funding Guidelines
  o IFT Grant Applicant Checklist
  o IFT Strength-Based Equity Matrix

☐ Applicants must complete our online IFT grant application. Emailed and paper applications will not be accepted.

☐ Have your grant budget and timeline ready to upload before starting the application.

☐ You will need your CTA Member ID# for the application. You can obtain your CTA Member ID# from your Digital Membership card or contact membership@cta.org.
Appendix A

A STRENGTH-BASED EQUITY MATRIX

STUDENT CENTERED – Describe how your grant proposal will promote student agency, ownership, responsibility, and self-reliance.

STUDENT EQUITY – Describe how your grant proposal will promote learning opportunities and access for all students.

STUDENT ADVOCACY – Describe how your grant proposal will advance student voice and positive student interdependence by supporting team building and student collaboration.

SCHOOL-WIDE RELATIONS – Describe how your grant proposal will increase commitment from your colleagues and school-community stakeholders for the teaching and learning process.

SCHOOL-FAMILY RELATIONSHIPS – Describe how your grant proposal will integrate parental personal strengths and positive experiences into the teaching and learning environment.

COMMUNITY SOLIDARITY – Describe how your grant project allows for networking and coalition building with community groups/organizations utilizing a lens of racial and social justice.

FUTURE ORIENTED – Describe how your grant proposal will enhance students’ skills and build their capacity for future success.

2022

Return to Table of Contents
This is an example of the online application questions. It is recommended that you compose your responses in a word processing program then cut and paste the text into the online application.

**Section 1: General Information**
- **Grant Project Coordinator Information**
  - Name
  - Personal Email (The IFT will not send communication to a school district email.)
  - Phone
  - CTA Membership # (Can be obtained from: membership@cta.org)

- **Local Association Information**
  - Local Association Name
  - Local Association President Name and Email

**Section 2: Project Information**
- **Project Information**
  - Project Title
  - Project Summary (100-200 words)
  - Grant Type
  - Student Grade Levels Impacted
  - Estimated Number of Students

- **School Site Information**
  - School Sites Impacted

- **Team Members**
  - Name
  - Personal Email (The IFT will not send communication to a school district email.)
  - Phone
  - School Site
  - CTA Membership # (Can be obtained from: membership@cta.org)
Section 3: Project Proposal

Use the Strength-Based Equity Matrix as a guide to answer the following questions.

Equity Matrix Factors (300 words max per question)

- **Factor 1: Student Centered**
  Describe how your grant proposal will promote student agency, ownership, responsibility, and self-reliance.

- **Factor 2: Student Equity**
  Describe how your grant proposal will promote learning opportunities and access for all students.

- **Factor 3: Student Advocacy**
  Describe how your grant proposal will advance student voice and positive student interdependence by supporting team building and student collaboration.

- **Factor 4: School-Wide Relations**
  Describe how your grant proposal will increase commitment from your colleagues and school-community stakeholders for the teaching and learning process.

- **Factor 5: School-Family Relationships**
  Describe how your grant proposal will integrate parental personal strengths and positive experiences into the teaching and learning environment.

- **Factor 6: Community Solidarity**
  Describe how your grant project allows for networking and coalition-building with community groups/organizations utilizing a lens of racial and social justice.

- **Factor 7: Future Oriented**
  Describe how your grant proposal will enhance students’ skills and build their capacity for future success.

Section 4: Project Budget, Timeline, and Agreements

- **Budget and Timeline**
  
  **Budget** (Attachment Required)
  
  **Timeline** (Attachment Required)

  **Application Consents**
  
  o Have you discussed this project with your site administrator?
  
  o Do any elements of your project require your school district’s permission or special permits?
  
  o Consent – acknowledge accuracy of application information and agree to privacy policy.

<tr>
<td>Substitute Release – 3 teachers</td>
<td>1 day</td>
<td>$150.00/day</td>
<td>$450.00</td>
</tr>
<tr>
<td>Collaboration and Planning Stipend (Only allowed for Project Coordinator and/or team members)</td>
<td>2/People</td>
<td>$500.00</td>
<td>$1,000.00</td>
</tr>
</tbody>
</table>

**Total**                                                                 $6,050.00

Notes:

1. Be sure to review our IFT Do’s and Don’ts and Funding Guidelines before preparing your budget.

2. The items listed in your budget should support the accomplishment of the activities in your proposal.

3. Your budget is a guide, and you can include approximate amounts for the items you want to purchase. Be sure to include tax and shipping.

4. Your budget total must reflect the amount of grant funds you are requesting.

5. Make sure your budgeted line items are clear and specific. Your budget should not include items such as miscellaneous or other.

6. If you include stipends for collaboration and planning, they must be limited to no more than $1,000 per person and with no more than $500 per person disbursed each calendar year of the grant implementation.

Return to Table of Contents
We want to ensure that the implementation of your grant project is successful; therefore, we are committed to providing you with support throughout the school year. To accomplish this, we require all Grant Recipients/Project Coordinators to meet with the IFT Program Consultant at least twice during the 2024-2025 project implementation year. These check-ins will provide an opportunity to collaborate with other Project Coordinators, ask questions, and discuss the progress of your project implementation. If you are awarded an Impact grant, you are encouraged to invite your team members to attend the check-in meetings with you.

You must attend at least one check-in meeting between September 2024 and December 2024 and another check-in between February 2025 and May 2025. You may schedule and attend as many check-ins as you like for additional support. You will need to schedule your check-in meetings using our online Booking Site.

**Check-In Options**
Meetings will be conducted in a group format virtually on Zoom, 5:00 – 6:30 pm.

If you prefer to meet individually, you can schedule a one-on-one meeting.

Meeting dates for Fall 2024 will be emailed in August 2024.

Meeting dates for Spring 2025 will be emailed in January 2025.
