

# 2025-2026 CTA Annual Dues Calculation

Formula is defined in Article XIV of the CTA Bylaws

## Step 1

### 3-YEAR AVERAGE

% change in average statewide teachers' salary during the last three fiscal years

2021-2022:	4.0%
2022-2023:	7.4%
2023-2024:	5.9%
3-yr average:	5.77%

## Step 2

### NET APPLICABLE DUES

Last year's Category I dues minus dues allocations not included in annual adjustments

2024-2025 Cat I Dues	\$ 816
Minus:	
Advocacy/Foundation Initiative Fund	(20)
Media Fund	(36)
Media Fund	(16)
Net Applicable Dues	\$ 744

## Step 3

### CALCULATE 2025-2026 DUES

Multiply the Net Applicable Dues by the 3-yr average then add to last year's Category I dues

Net Applicable Dues	\$ 744
x 3-yr average	5.77%
Calculated Dues Increase	\$ 42.93
Truncated to	\$ 42
2024-2025 Cat I Dues	\$ 816
2025-2026 Cat I Dues	\$ 858
