

YOU'RE INVITED TO PARTICIPATE IN

CTA ePay

ACH DUES PAYMENT PROGRAM

The California Teachers Association is pleased to invite your chapter or district to participate in **CTA ePay**, a payment program introducing **ACH (Automated Clearing House)** for the electronic submission of membership dues.

This program provides an opportunity to **streamline your payment process, improve efficiency**, and **enhance security** by transitioning from paper checks to electronic payments.

STREAMLINED PROCESS

Eliminate paper checks and reduce time spent on manual processes.

IMPROVED EFFICIENCY

Simplify your chapter's workflow and ensure timely dues payments.

ENHANCED SECURITY

ACH payments provide a secure, reliable, and auditable payment method.

SUPPORT YOU CAN COUNT ON

Participating chapters will receive clear setup instructions and direct support from CTA staff to help make the transition to CTA ePay smooth and successful.

NEXT STEPS

If your chapter is interested, please respond with the name, position, and email address of the individual who will be responsible for processing electronic payments to CTA.

We will then provide the next steps to create your CTA ePay account.
