

WELCOMING ALL STUDENTS

All students should have equal access to a high-quality public education free from discrimination or bias regardless of their economic status, race, gender, ethnicity, sexual orientation, religion, status or other characteristics.

COMMUNITY SCHOOLS

Transform traditional public schools into neighborhood hubs that mobilize students, staff, families, and community members to reimagine education and co-construct a shared vision for their school and community

LEADERSHIP OPPORTUNITIES

For members to lead, uplift, and advance racial & social justice issues in our union:

- Instructional Leader Corp
- Advisory Committees
- Ethnic Member Early Identification and Development (EMEID) Program
- CTA Aspiring Educators
- Cadre Training Program
- Build an Equity Team

FIGHTING FOR JUSTICE

Equity and justice for all begins with a free, quality public education. For that to happen, our students need to feel welcome in schools and seen by their educators. For resources, videos, posters and shareables to create welcoming learning environments for all students, visit [CTA.org/SocialJustice](https://cta.org/SocialJustice).
