

Appendix A

A STRENGTH-BASED EQUITY MATRIX

STUDENT CENTERED – Describe how your grant proposal will promote student agency, ownership, responsibility, and self-reliance.

STUDENT EQUITY – Describe how your grant proposal will promote learning opportunities and access for all students.

STUDENT ADVOCACY – Describe how your grant proposal will advance student voice and positive student interdependence by supporting team building and student collaboration.

SCHOOL-WIDE RELATIONS – Describe how your grant proposal will increase commitment from your colleagues and school-community stakeholders for the teaching and learning process.

SCHOOL-FAMILY RELATIONSHIPS – Describe how your grant proposal will integrate parental personal strengths and positive experiences into the teaching and learning environment.

COMMUNITY SOLIDARITY – Describe how your grant project allows for networking and coalition building with community groups/organizations utilizing a lens of racial and social justice.

FUTURE ORIENTED – Describe how your grant proposal will enhance students’ skills and build their capacity for future success.
