

We Can't Wait

Over 80,000 educators serving 1 million students in 32 school districts with \$23.5 billion dollars in revenues.

Our vision: school districts that prioritize fully staffed schools, competitive wages and benefits to recruit and retain quality educators, and safe, stable schools where every child can thrive.

Our districts must prioritize the resources our students need and deserve.

Our Campaign **BY THE NUMBERS**

1 Million

Students attending 1,809 schools across California.

75%

Of the students we support are low-income, English language learners or foster youth.

Over 80,000

Classroom teachers, school counselors, school nurses, social workers, bus drivers, custodians, instructional aides and more.

32

Educator unions across California are negotiating collective bargaining agreements to address these key issues in 2025.

\$23.5 Billion

Combined annual revenue of our districts.
