A little about Me

✦ **Catalina Castillo**

For Student CTA Statewide Secretary-Treasurer

The Universe has a strange way of bringing things into place. Twenty years after graduating high school, married with three children, and being proud mother to a child with exceptional needs. I became a San Bernardino Valley College student. I will reach my dreams as an undocumented student to become a bilingual science teacher. I appreciate the leadership team I work alongside as President of the SBVC Student CTA Chapter and our inspiring advisor Ed Gomez. They have taught me what it means to be a leader during these difficult times.

My accomplishments in the community include being Parliamentarian of the San Bernardino Unified School District English Learners Advisory Committee, member of The Autism Society Inland Empire Community of Practice group named Colaboración, Liderazgo, Abogacía, Servicio y Educación (CLASE) which means Collaboration, Leadership, Advocacy, Service and Education, founding member of Parents in Action, San Bernardino branch and also a member of SB Community Coalitions for CHANGE. My hope is to bring financial support to Student CTA Chapters and members!
There is no community without UNITY!
