

**Gubernatorial
Recall
Election is
September 14,
2021**

THE RECALL ELECTION WILL IMPACT YOUR JOB, YOUR STUDENTS, AND YOUR SCHOOLS AND CAMPUSES.

Governor Newsom's state budget this year provided historic funding for K-12 schools and community colleges.

There's additional money to help schools open safely, hire counselors and nurses, and expand transitional kindergarten to all 4-year-olds.

This costly recall is supported by many of the same groups that want to dismantle public education and labor unions.

They have already filed a voucher initiative that would take money away from California public schools and funnel it to private schools.

How will the recall election work?

All California voters will receive a ballot in the mail with two questions: Will the Governor be recalled, and who will replace him?

If a majority vote yes on the recall, the candidate with the most votes becomes California's new Governor.

It is possible for the winner to receive less than 50% of the votes.
