

# A STRENGTH-BASED EQUITY MATRIX

**STUDENT CENTERED** – Describe how your grant proposal will promote student agency, ownership, responsibility, and self-reliance.

**STUDENT EQUITY** – Describe how your grant proposal will promote learning opportunities and access for all students.

**STUDENT ADVOCACY** – Describe how your grant proposal will advance student voice and positive student interdependence by supporting team building and student collaboration.

**SCHOOL-WIDE RELATIONS** – Describe how your grant proposal will increase commitment from your colleagues and school-community stakeholders for the teaching and learning process.

**SCHOOL-FAMILY RELATIONSHIPS** – Describe how your grant proposal will integrate parental personal strengths and positive experiences into the teaching and learning environment.

**COMMUNITY SOLIDARITY** – Describe how your grant project allows for networking and coalition building with community groups/organizations utilizing a lens of racial and social justice.

**FUTURE ORIENTED** – Describe how your grant proposal will enhance students’ skills and build their capacity for future success.
