HOW TO USE THE CTA MEMBERSHIP COMMITMENT CARD

This How-To Sheet will provide tips and instructions for Locals to prepare for and start a CTA Commitment Card campaign

Is your Local ready for the CTA Membership Commitment Card?

Just follow these simple steps to determine if you’re ready:

1. The Executive board together with the CTA staff person should formulate a campaign plan to talk to members about the Commitment Card. The Commitment Card campaign should be a “next step” in ongoing member engagement plans and not a first step. Develop a flyer or newsletter with key points and local successes to accompany the Commitment Card
2. Review your Local roster for accuracy of members’ work locations and demographic information
3. Make any necessary member updates to CTA’s Association Management System using one of the following Membership Tools: MyFalcon, CTA 360Pro, or CTA 360 Mobile App. If your Local does not have the ability to process the changes, the updates should be done at the RRC or UniServ office prior to generating the Commitment Cards
4. The staff person will coordinate with the Regional Manager to order the Commitment Cards

- Commitment cards are sorted by work location name, then by member last name. Individuals without a work location will appear at the end.
- Commitment cards are to be completed by existing members who have not yet committed to the Maintenance of Dues. Non-members interested in joining CTA, NEA, and the Local must complete a new membership enrollment form.
- When distributing the commitment card to a member, explain the reason for the card and help them understand CTA’s new Maintenance of Dues provision.
- Ask the member to review their contact and membership information, make any necessary updates in the space provided, and then sign and date the card.
- Return completed commitment cards to: CTA Membership Department, P.O. Box 4178, Burlingame, CA 94011
