Navigating National Board with CTA in 2023-2024!

Whether you are beginning or continuing your National Board journey, we've got your back! Join us for an upcoming informational webinar, where we'll discuss National Board Certification, the California State Incentive Program, and available supports for members.

The CTA System of Support

Scholarships for BIPOC educators to participate in the Stanford or UCLA National Board Support programs as cohorts with help from BIPOC NBCTs.

Virtual Community of Practice covering everything you need to know to nail your components, led by CTA National Board Certified Teachers.

Part of the CTA IPD Strand at Summer Institute, spend four intensive days going deep with National Board content and planning to start your year off right!

Are you a current NBCT interested helping others certify? Apply for a grant to support activities to help colleagues navigate National Board.

What is National Board Certification?

The National Board for Professional Teaching Standards (NBPTS) is a national standards board that defines and recognizes accomplished teaching across different subject areas. Educators seeking National Board Certification undertake a process in which they demonstrate accomplished teaching by completing four components:

- Component 1** • Content Knowledge
- Component 2** • Differentiation in Instruction
- Component 3** • Teaching Practice and Learning Environment
- Component 4** • Effective and Reflective Practitioner

National Board Certification provides meaningful, self-directed professional growth along with national recognition and opportunities for career advancement. For more information about earning National Board Certification, please visit: www.nbpts.org

What is the CA National Board Incentive Program?

That California State Budget allocated \$250,000,000 to attract and retain National Board Certified Teachers in high-priority schools, defined as schools with 55 percent or more of its pupils classified as an English learner, foster youth, or eligible for free or reduced-price meal.

The program awards incentive grants of up to \$25,000, paid in \$5,000 installments, to any teacher who has attained National Board Certification and commits to teaching in a high-priority school for five years. The program also awards subsidies of \$2,500, paid in two installments, to teachers at high-priority schools who initiate the National Board Certification process.

The list of qualifying schools and other information about the program is available on the California Department of Education website.

What Support is Available for Candidates?

The National Board Resource Center at Stanford offers an online support group open to candidates from any certificate area, school type, or geographic location, and candidates are welcome to join at any time. The program costs \$500/year.

UCLA National Board Certification Support offers candidate support from National Board Certified Teachers and professional learning facilitators. Participants meet virtually and costs are variable depending on which components candidates pursue.

The UTLA/LAUSD National Board Support Network is dedicated to providing assistance to National Board candidates as they embark in the certification process. Using a network model, teachers work with one another to demonstrate their practice is aligned with NBPTS standards.
