Vote for Student CTA Name Change

At the 2023 Student CTA Spring Event and Representative Assembly, delegates voted to change our program name from Student CTA to California Aspiring Educators. We submitted this change to the CTA Board of Directors and they've recommended that we change our name to the CTA Aspiring Educators.

In order to move this process along, at the September 2023 Student CTA Board meeting, the board suspended our standing rules to allow for all Student CTA members to vote to approve of this recommendation from the CTA Board.

Please vote ASAP and before the ballot closes on October 1, 2023 at 11:59PM PT.

An email was sent with a link to cast your vote.
