INFORMATION ITEMS

- 1. The LNG Committee welcomed Ms. Jennifer Baker, CTA Legislative Advocate. She provided an update on legislative matters.
- 2. The LNG Committee heard LNG Subcommittee reports in the area of legislation, policy, and the development of educational pieces to be provided to CTA members.
- 3. The LNG Committee took the following position on two pieces of legislation:
 - AB 2303 (Bloom) Support
 - SB 1174 (Padilla) Support

- 4. Nominations for LNG Committee positions were held.
- 5. LNG concurs with Curriculum and Instruction that the recommendation of the Californian's Together Liaison that "CTA advocate for the textbook adoption criteria for ELA/ELD that match the standards and include foundational skills, meaning making, language development, effective expression and content knowledge," is now moot because the State Board has already acted on this item.
- 6. The LNG Committee would like to thank Julie Timmerman Rodrigues for volunteering to be the recorder in Bev Bricker's absence.
